

## **BIM Coordinator**

Cumulus Architects Inc. is a dynamic and innovative interdisciplinary practice grounded in the principles of team-based design and collective intelligence. Simply put, we believe that making architecture together in a studio environment makes a difference.

This means applying interdisciplinary thinking to large complex design challenges. Our leadership team includes specialized experts in arts and culture, mobility and accessibility, wellness and mental health, mixed use development, and heritage and preservation. Collaborating unlocks a cumulative process of engagement that invites curiosity, encourages innovation, and nurtures creativity.

Cumulus is interested in growing our diverse team of curious, innovative, and creative people. We nurture a culture of innovation and collaboration with the explicit aim of fostering personal engagement in the successes we achieve together.

We currently have an opportunity for a BIM Coordinator interested in making an impact on a diverse range of innovative projects across Canada.

### **In this role you will be involved in:**

- Responsible for development, implementation & enforcement of company BIM standards
- Develop and maintain the company's internal BIM execution plan
- Advise and help develop project specific execution plans
- Create and maintain the project template and family/detail libraries to enhance productivity and ensure standards
- Assist in developing and enforcing BIM documentation and workflow process standards
- Stay current with best practices related to BIM

### **What we are looking for in a candidate:**

- Architect, Engineer or Technologist with specific Revit experience
- Professional Experience in BIM Coordination and Implementation
- Minimum 5 years experience with architectural document production and management
- Minimum 3 years experience working and managing Revit standards and workflow
- Proficient in Revit and Other BIM software
- Ability to work effectively with multiple stakeholders and project teams

### **Interested?**

We'd love to hear from you. Please send your cover letter and resume to [info@cumulusarch.com](mailto:info@cumulusarch.com) We thank all applicants for their interest, however only those selected for an interview will be contacted.
